AMELUNA APP -> ARTEMIDE APP PROCEDURE
THE FIXTURE HAS BEEN CONNECTED TO TWO WALL PUSH BUTTONS

PUSH BUTTONS

*Press the PUSH buttons
for 3 minutes*

To reset Ameluna lamp(s) wired to two push buttons, and consequentially remove it from Ameluna APP, it is always recommended to press the PUSH buttons for 3 minutes.
In the event of impediments, follow the instructions on page 4 of this document.

Procedure:

1 - Press and hold both PUSH buttons for at least three minutes until both sources, WHITE and RGB, start flickering.

2 - Release the PUSH buttons.
Ameluna lamp is now reset and ready for installation and enrollment in Artemide APP.

Artemide

AMELUNA APP -> ARTEMIDE APP PROCEDURE
THE FIXTURE HAS **NOT** BEEN CONNECTED TO TWO WALL PUSH BUTTONS OR THE PUSH BUTTONS **DO NOT** WORK

• **CASE 1:** (PASSWORD – AMELUNA APP)
The user **HAS** Ameluna APP installed on his/her device and remembers Network password

Option A - The user can remove the lamp by erasing it from the Network and making it available for the connection with the Artemide APP (Appendix 1 - pp.6-7).

Option B - The user can remove the lamp and make it available for the connection with the Artemide APP by accessing the Network and clicking on "RESET NETWORK" (Appendix 2 - p.8).

• **CASE 2:** (PASSWORD – NO AMELUNA APP)
The user remembers Network password but **NO LONGER HAS** Ameluna APP

Option A/B - Until today (04/05/2020) it is possible to download Ameluna APP from the Apple Store even with the last IOS softwares on his/her device and the user can then proceed as explained in "CASE 1".
